DELAWARE'S OUTSTANDING COMPANIES

COMPANY TO WATCH **technology**

## YEARS OF GROWTH IN CHALLENGING MARKET

The News Journal/Philadelphia Inquirer/©2004 FT

Michael Nardo is CEO and owner of FuturTech, which provides information technology.

### FuturTech Consulting

Address: 5C Policy Square, Wilmington

Website: [www.futurtech.com](http://www.futurtech.com)

Full-time Delaware employees: 12

Part-time Delaware employees: 1

What it does: FuturTech is a full-service information-technology company providing services such as network design and installation, computer sales and service, strategic planning and technical consulting.

Annual sales: \$2.8 million

What panel members said: "FuturTech posted a 51 percent increase in revenues last year and 88 percent since 2001, all in a challenging information technology market. The company has an ambitious five-year plan that calls for increasing revenues, staff and offices."
